★★★★★

"A complete game changer! Customer service is outstanding, support is always available and helpful, and our booking and ticketing system has improved dramatically."

Bucklelew Farm

★★★★★

"Made our transition seamless. Setup was easy, support was responsive, and the flexibility of scanning with an iPhone was a game changer."

Erebus Attraction

★★★★★

"Everything was an easy and smooth process. Support is superb, friendly, and easy to get in touch with. They even made a super cute online flyer to promote my event. I highly recommend Hytix!"

West Creek Flower Farm

The Hytix 10-Minute Challenge

Give us 10 minutes. We'll build your booking page live.

Book a demo, tell us about your venue, and our team builds your event, time slots and ticket types live with you. The page is yours to keep, and you go live when you're ready. Ask for a sneak peek of Smart AI Event Create.

Ready to switch? Let's talk.

Schedule your free demo and custom venue setup today.

No obligation and no credit card required.

Trusted by Thanksgiving Turkey Sale

Why Venues Choose Hytix

Everything on One Platform

Tickets, time slots, classes, appointments and pre-orders on one live inventory.

Selfie Ticket & Rapid Scanning

Photo-matched season passes stop sharing. Mobile QR scanning keeps lines moving.

Built-In Marketing

Promo codes, email and SMS campaigns and social sharing, no extra tools.

Shared Pooling & Crowd Control

Share capacity across attractions and time slots, so you never oversell.

Free Box Office

Walk-up sales sync instantly with online inventory from any device.

24/7 Live Human Support

Real people answer on nights, weekends and holidays, with 15+ years in ticketing behind them.

✓ **Free Switch, Done for You**

We set up your booking page, move your active tickets and train your staff. No cost and no contract.

AI Built Into Hytix

Use AI on your sales reports today. AI event setup is coming next.

Available now

Reports with AI Insights

AI-powered reports show what's selling, what's slow and what to do next.

On the way

Smart AI Event Create

Describe your event in a sentence. Hytix AI drafts the booking page, ticket types, time slots and descriptions in minutes.

New Booking Engine

Visual calendar, multi-attraction scheduling, linked booking rules and resource management for staff, guides and equipment, with conflict alerts.

Built-In Digital Waivers

Guests sign before arrival, synced to the Hytix Scan and Organizer apps. No third-party subscription.

Memberships, Gift Cards & Promos

Recurring memberships, season perks, advanced promo rules, BOGO, family bundles and donation checkout.

Guest Intelligence & Operations

Seat maps for shows and galas, a Today View for daily operations, in-house SMS and email campaigns, repeat-visit tracking and large report exports.
